Objective

Motivated individual with strong programming skills and hands-on project experience, eager to contribute and grow in the field of software development.

Education

MCA, Vivekananda College of Engineering and Technology, Puttur	*2023 – 2025*
CGPA: **9.0**	
BCA, St. Philomena College (Autonomous), Puttur	*2020 – 2023*
CGPA: **9.0**	
PUC, St. Philomena Pre-University College, Puttur	*2018 – 2020*
CGPA: **9.3**	
SSLC, S P High School, Ishwaramangala	*2017 – 2018*
CGPA: **8.7**	

Technical Skills

Languages: Java, Python, C++, C, C#
Web: HTML, CSS, PHP, JavaScript, React.js
Databases: MySQL, Excel, Access, MongoDb
Tools: Git, XAMPP, LaTeX

Projects

- **Cryptocurrency price prediction:** Forecasting future cryptocurrency market trends.
  Scikit-learn, yfinance, Pandas, Numpy – GitHub
- **Government Hospital Portal:** To Connected the Goverment hospital Management.
  React, TypeScript, Node, MongoDB – GitHub
- **Color Detection:** Image processing for color identification.
  Scikit-learn, Pandas, NumPy – GitHub
- **Asthma Prediction (Internship):** ML-based asthma diagnosis.
  Python, Pandas – GitHub
- **Food Waste Management:** Connects donors with NGOs.
  PHP, HTML, CSS, MySQL – GitHub
- **Placement Prediction:** Predicts placements using regression.
  NumPy, Matplotlib – GitHub
- **Smart Parking System (IoT):** Sensor-based parking automation.
  Arduino, IoT, Sensors
- **News Article Classification (Hackathon):** NLP/ML-based categorizer.
  Python, NLP, ML – GitHub
- **Travel Booking System (BCA):** Full travel package booking site.
  HTML, CSS, PHP, MySQL – GitHub

Internship

AI and ML Intern	**Code Lab Systems Pvt. Ltd, Mangalore**
November 2024 – January 2025	

Certifications

- **Privacy, Security, and Social Media** (MOOC) – VTU, 2024
- **Project Omega Hackathon Certificate** – Yenepoya Institution, 2025
- **Code-A-Thon Certificate** – Vivekananda College of Engineering and Technology, 2025
- **Drishti Conference** – Vivekananda College of Engineering and Technology, 2025

Achievements

- Participated in cultural/technical events at St. Agnes College Fest.
- Achieved Runner-Up and occasionally First Place in Web Design and Coding competitions.
